HUNTING LEASES

Benefits of this Program

Philadelphia Insurance Companies' (PHLY) Hunting Leases program is specifically designed to provide coverage to sportsmen leasing land each year for the sole purpose of hunting. Some will form a hunt club with several members who group together to lease an even greater number of acres. Unlike guided hunts that last only a few days, hunting leases allow the hunter to hunt a property for the entire season or even the entire year. This class does not provide for any owned land or for profit exposure.

For all your Hunting Lease needs, visit our website at PHLY.com.
